Dear Friend and Colleague,

On behalf of the Organizing Committee, it is our great pleasure to invite you to participate in the International Congress on Echocardiography (“ECHO of the White Nights-2015”), to be held in St. Petersburg, Russia, September 17-19, 2015.

## Scientific Program

- Valvular heart disease
- Coronary artery disease
- Role of echocardiography in cath lab and operating room
- Cardiomyopathy
- Infective endocarditis
- Pericarditis
- Aortic disease
- Primary and secondary cardiac tumors
- Advanced echo techniques for quantitative assessment of systolic and diastolic function
- Contrast echocardiography in clinical practice
- Congenital heart disease in adults
- Assessment of right ventricular function

Many distinguished cardiologists and specialists in the field of echocardiography have agreed to join the faculty participating in this Congress. The plenary sessions and symposia will cover lectures and other scientific presentations. A special separate session will be devoted to poster presentations. In addition, workshops and round tables will be organized which will provide education in all practical aspects of echocardiography.

We assure you that the Congress will be a major scientific event and hope you will participate actively by presenting your research and other educational material.

Your interactions with your colleagues from different countries will help stimulate a creative exchange of ideas which could be useful to you personally.

We look forward to your active participation in the International Congress of Echocardiography in one of the most beautiful cities in the world, St. Petersburg in Russia.

Sincerely yours,

Navin C. Nanda, M.D., FISCU(D), D.Sc(Hon), FACC, FAHA  
President, International Society of Cardiovascular Ultrasound

Maria Prokudina, M.D., Ph.D.  
President, International Foundation for Development of Medical  
Science and Education “Healthy Heart”
